BEST BET: Race 6 - #3 He’s Bankable

It’s a nice field assembled for The English Channel, but I think that He’s Bankable has a bit of a class and experience edge. Already a stakes winner, this son of Arch seems to have really come into his own lately, and also boasts early speed. Looks like this is the right spot for him.

LONGSHOT: Race 9 - #2 Bingo Bango Bongo

Not only did this gelding run a huge race last time out, but he should get an ideal pace set up for his running style today. A late-running closer, there is plenty of pace to his outside and I expect him to be using that strong late kick to his advantage in the latter stages of the race. Miguel Vasquez, who handled him well last time, will be aboard once again.
