BEST BET: Race 7 - #1 Phenomenal Gem

This is a pretty tricky race on paper, with several runners coming out of the same eventful race at Gulfstream on February 8. However, Phenomenal Gem jumps off the page, and got a solid win last out a Tampa first off the layoff. The 54 Beyer Speed Figure she earned puts her right in the mix. Not to mention, Mark Casse's horses seem to be running well wherever they are entered as of late.

LONGSHOT: Race 3 - #1 Charlie the Greek

The turnback to a sprint distance was the main draw for me with this gelding. While he was a distant fourth last time out, it was behind Talk Logistics, who has tons of back class. In addition, Victor Barboza bats at 26% going from route to sprint on the dirt in the past year. Should be a nice price for a good barn.
