If a player loses his/her card or the card is not working, the player should immediately contact a contest official to receive a new card. Gulfstream Park is not responsible for any races missed due to a malfunctioning or lost card.

Onsite players will be issued a separate card with which to make their non-contest wagers. Players will receive a rebate of 5% for all Gulfstream Park wagers placed from Wednesday, January 24 through Sunday, January 28.

8. PLACING WAGERS

All wagers (contest and non-contest) must be placed through self-service machines located throughout the property. Contest wagers will not be accepted through mutuel tellers.

Players must place all contest wagers personally. No person shall directly or indirectly act as an intermediary, transmitter, or agent in placing wagers for the player, unless authorized by Tournament officials. All official track rulings will apply to wagers placed in the Tournament except as otherwise stipulated. The tournament will be based on the official placement and mutuel prices at Gulfstream Park.

9. ADVANCE WAGERING

Advance wagering will not be permitted unless prior approval has been obtained by a Tournament Official. Wagers for each race must be placed after the prior race has been declared official. This rule is designed to maintain an accurate leaderboard.

If a player needs to advance wager for any reason, a player must contact a Tournament Official. The Tournament Official will decide if an advance wager will affect the integrity of the leaderboard. All decisions are final and penalties for violating this rule will be at the sole discretion of Tournament Officials.

10. CASHING OUT THE CARD BALANCE

Players will not be able to cash out their wagering card until after the final live contest race on Saturday, January 27, 2108, becomes official. **Should the player cash out his/her card before the last live contest race is official, that player's entry can be disqualified from any prizes.**

11. IRS WITHHOLDING

Per new laws.

12. SCRATCHES

If a horse is scratched after a wager is placed, it is the player's responsibility to change his/her selection prior to the race in order to meet contest parameters. If a late scratch occurs or a horse is declared a 'non-starter' and post time prevents the selection of an alternate horse or bet cancellation, the contestant will not be disqualified for failure to bet the minimum amount and any live tickets bet will be in play.

13. TIES

In a result of a tie between any of the top finishing positions, the player with the highest dollar amount of total wagers will be declared the winner for NHC and BCBC positions. If both players finished with the same final bankroll and wagered the same amounts, the player with the largest single race profit will be awarded the qualifying spot. In the event both players finished with the same bankroll, wagered the same amount, and tied with the largest single race profit, the qualifying spots will be decided by whoever registered for the contest first. Cash prizes will be split evenly for players finishing in a tie with the same bankroll amounts.

14. CONTEST PARAMETERS

Current standings will be posted after every race or as soon as the information is available. Standings will be posted on a dedicated in-house TV monitor.

15. NHC TOUR MEMBERSHIP

NHC Tour membership is required for all participants prior to the start of the contest in order to win an NHC spot. Tournament participants may register for the NHC Tour at www.ntra.com/content/nhctour. The Tour fee is \$50. Non-Tour members are ineligible for NHC Tour spots. NHC Tour members must be at least 21 years of age to participate in the NHC Finals in Las Vegas.

16. ELIGIBILITY/DISCLOSURE

The following are ineligible to participate in this contest: Employees of Gulfstream Park, The Stronach Group, TSG Developments Investments, Inc., or any of their subsidiaries, and employees of AmTote.

If a player has an ownership or other interest in any horses running in any of the contest races or holds a pari-mutuel license in any jurisdiction, then all involvements and licenses must be fully disclosed to Gulfstream Park Tournament officials prior to the start of the Tournament. Failure to disclose any ownership interest or license can result in disqualification. Trainers, owners, or any player with another interest (groom, jock agent, etc.) cannot bet that race.

17. TAXES

Liabilities for any and all federal, state and local taxes are solely the responsibility of prize winners.

18. AFFIDAVITS

Positive identification is required of contestants and prize winners. Positive identification is a Driver's License with a picture and same address and birth date used on the entry forms, and/or other forms of identification as deemed adequate by contest officials. Social Security information is also the responsibility of the player and must be provided before the players are given their bankroll cards. The nature and extent of the sanctions imposed shall be in the sole and absolute discretion of Gulfstream Park management and may include, but shall not be limited to, the following:

- Forfeiture of prize money
- Disqualification from the contest
- Loss of privilege to participate in future Gulfstream Park or Stronach Group handicapping contests

SPECIAL RULE REGARDING COLLUSION

Collusion among players could be grounds for disqualification, specifically, combining of entries. An example would be:

Player A and B have 2 entries each, all have \$12,000. They play a race together with the intent to get one entry to an extremely high number. At race conclusion, one entry stands at \$40,000 and the other three are at zero. Actions similar to this among any amount of players 2 or more, will result in disqualification of all players involved. Players with 2 entries are allowed to play those entries in any fashion they choose within the rules, and collusion rules do not apply to one person.
