RACE 12: 4 – 7 – 1 – 8

RACE 13: 10 – 2 – 3 – 8

**First-Race Post is 12:45 p.m. ET*

Tequilita Moves Out in the Inside Information

It's been nearly a quarter century since Inside Information cemented herself among the all-time greats of Breeders' Cup lore. The date: Breeders' Cup Saturday, October 28th, 1995 – Belmont Park. Inside Information loved Belmont and especially adored a wet track. She had both variables in her favor that Saturday afternoon and the result was nothing short of awesome: Inside Information effortlessly turned a world-class, wickedly deep Breeders' Cup Distaff into a one-horse procession; it was like a paid public workout of the highest magnitude. Her decisive 13 ½-length margin of victory, jaw dropping in every metric, proved a Breeders' Cup record. In fact, it stands all these years later. Inside Information retired to the Phipps Family breeding shed with an outstanding record of 14 wins from 17 starts. She was inducted into Racing's Hall of Fame in August of 2008 and will forever be one of my favorite fillies. As for the race, eight older fillies and mares entered the Grade 2, \$200,000 Inside Information. And I like Tequilita in what could be the final start of her career. This Union Rags mare loves Gulfstream Park, evidenced by her multiple stakes wins here in Hallandale Beach for trainer Michael Matz. Furthermore, I believe Tequilita was never really comfortable during her inside trip in last month's Royal Delta. She finished third that day behind the wire-to-wire winning favorite, Blamed. Here's my trip note: "Tequilita was stuck inside on the backstretch and never looked happy, she was put under a long drive from mid-turn point and was very one-paced with no real punch during the stretch run."
