### Maidens Rolls on a 12-race Father's Day

An early post time, some chunky-sized fields and a good dose of promising maidens highlight Sunday's special Father's Day program at Gulfstream Park. Happy Father's Day to all the dads out there! And make sure you and dad are punctual this Sunday afternoon. For starters, GP's first-race is earlier than a typical Sunday at 12:45 ET post. Secondly, the day's opener came up strong, a wickedly deep two-year-old Florida-bred filly maiden special weight. You definitely don't want to miss this race! In fact, Gulfstream's meet-leading connections are front and center with a pricey Into Mischief youngster named Sound Machine. She'll debut for e Five Racing Thoroughbreds (by the way, a big belated congrats to e Five on a giant Grade 1 Just a Game victory last weekend with Rushing Fall in New York...she's a monster and at this rate, a future hall of famer.) Anyway, e Five's Sound Machine has been based here at Gulfstream with leading trainer Saffie Joseph Jr. Joseph, a native of Barbados, entered the weekend tops in the local standings with 19 wins. He's been a consistent winners' circle fixture over the last two-plus years and because of that, his barn has continuously grown in both quantity and more importantly, quality. Sound Machine is a perfect example of that. Purchased for \$500,000 as a yearling last autumn, Sound Machine has trained forwardly (and consistently) at Gulfstream Park; she is the third foal from Ava Pie (an unraced Distorted Humor mare) who can credit a pair of multiple winning older sisters; this is a quality dirt pedigree here. Leading rider Edgard Zayas, who entered Friday's GP program with 60 wins this meet, rides Sound Machine from post 4. Trainer Ralph Nicks has enjoyed a solid spring season at GP and starts firster Belladonna. This Bayern filly is a half-sis to 400k earning (rocket) Zee Bros.
