Attention Trainers: Trainers wishing to saddle on the horse path or at the end of

the saddling area must wait until all horses have been scanned and have entered the saddling area.

All horses entered must have Gulfstream Park as the Certificate Manager on Worker's Comp. policy.

ATTENTION TRAINERS: If a trainer enters both Turf and Tapeta in the same race totaling more than two, the Tapeta Only will not be permitted to run on the Turf regardless of scratches.

ATTENTION TRAINERS: Once a horse works for the Regulatory Veterinarian to come off of the Vet's List, it must race within 60 days of removal from the Vet's List, or it will be placed back on the Vet's List.

Attention Horsemen: Prior to shipping horses into Gulfstream Park trainers must contact Ed Coletti: 352-817-3366. Palm Meadows, Grae Kennedy: 502-457-3323.

TTENTION HORSEMEN: Please check licenses for you and your owners. Please do not go online to renew your licenses. If your owners have a horse in - and will not be here in person to renew their license, trainers take out a temporary license for them

Attention Horsemen: Remember you must register your two-year olds with HISA, upon arrival on the grounds.

ATTENTION TRAINERS: Tapeta Shoe Rule is the same as the Turf Shoe Rule. NO Traction Devices. Queen's XTs and similar shoes will not be permitted on Tapeta or Turf.

ATTENTION TRAINERS: Capsaicin is used in many peppers including chili peppers, cayenne peppers, and paprika. It is used in pastes, hot sauce, and some pain relief creams, ointments, liniments, braces, and patches. HISA lists capsaicin as a Class B Controlled Substance. HIWU's partner labs test for Capsaicin Post-Race, Vets List, and Post-Work Samples. Horsemen should read all labels to check for capsaicin in the list of ingredients and exercise caution when using these products close to a race or workout. Horsemen or veterinarians with questions may reach out to sciencesupport@hiwu.org.

#### ATTENTION HORSEMEN:

The aftercare of horses that have shipped to Puerto Rico to race, and are no longer racing, are of great concern to Gulfstream Park and 1/ST Racing. Trainers and Owners are warned not to ship injured or infirmed horses to Puerto Rico or they may be subject to fines and loss of stalls at all 1/ST Racing facilities. We will continue to monitor the number of horses shipped to Puerto Rico from trainers and owners who have horses at Gulfstream Park. We encourage our horsemen to utilize the on-site Safety Steward, Richard Simmons for specific information by calling 754-236-4790 and our on-site Aftercare Coordinator, Raina Gunderson by calling 954-682-1294.

Children under 16 years of age are not allowed in the Receiving Barn.

Attention Trainers: Prior to administering any supplements to any horse, please research the product and check the ingredients, to prevent violations of the possession or use of banned substances. Supplements have been cited as a possible source of the banned substance diisopropylamine, though Gulfstream Park notes that no specific products or individual manufacturers have been identified. For a list of banned substances please go to the HIWU website.

Please Note: Those enrolling in the ACH Electronic Payment Program will be receiving a one-time verification call from Gulfstream Park.

#### TRAINFRS

Please take time to review new soundness/fitness forms available in racing office at Gulfstream Park and the manager's office at Palm Meadows. You and your veterinarian are required to sign and return these forms in order for your horses to race and have published workouts. A form may also be sent via email, upon request.
