Horsemen or veterinarians with questions may reach out to sciencesupport@hiwu.org.

ATTENTION HORSEMEN:

ATTENTION HORSEMEN: The aftercare of horses that have shipped to Puerto Rico to race, and are no longer racing, are of great concern to Gulfstream Park and 1/ST Racing. Trainers and Owners are warned not to ship injured or infirmed horses to Puerto Rico or they may be subject to fines and loss of stalls at all 1/ST Racing facilities. We will continue to monitor the number of horses shipped to Puerto Rico from trainers and owners who have horses at Gulfstream Park. We encourage our horsemen to utilize the on-site Safety Steward, Richard Simmons for specific information by calling 754-236-4790 and our on-site Aftercare Coordinator, Raina Gunderson by calling 954-682-1294 954-682-1294.

Children under 16 years of age are not allowed in the Receiving Barn.

Attention Trainers: Prior to administering any supplements to any horse, please research the product and check the ingredients, to prevent violations of the possession or use of banned substances. Supplements have been cited as a possible source of the banned substance diisopropylamine, though Gulfstream Park notes that no specific products or individual manufacturers have been identified. For a list of banned substances please go to the HIWU website.

Please Note: Those enrolling in the ACH Electronic Payment Program will be receiving a one-time verification call from Gulfstream Park.

Please take time to review new soundness/fitness forms available in racing office at Gulfstream Park and the manager's office at Palm Meadows. You and your veterinarian are required to sign and return these forms in order for your horses to race and have published workouts. A form may also be sent via email, upon request.
